

THE CHARTERED SURVEYORS' COMPANY

A Celebration of Music

Christ Church, Spitalfields

Wednesday 25 March 2009

The Chartered Surveyors' Company, in association with LandAid, is organising an evening of musical entertainment at Christ Church, Spitalfields on Wednesday 25 March 2009.

This concert will be given by students of the Guildhall School of Music & Drama and will comprise two sections: one featuring opera and the other a quintet of musicians. A drinks reception will take place during the interval.

Proceeds from the evening will go to The Chartered Surveyors Training Trust, The Livery's Bursary Fund and LandAid. LandAid is the charity of the UK property industry. The current main focus of LandAid's work is a major homelessness initiative 'Foundations for Life', in partnership with Centrepoin. Foundations for Life gives young homeless people the opportunity to achieve lasting independence and create the lives they really want.

The Guildhall School of Music & Drama is one of Europe's leading conservatoires. The students and alumni of the School are at the heart of the performing arts in London, the UK and on the global stage. Music graduates from the school include: Sir James Galway, Paul Lewis, Bryn Terfel and Cleveland Watkiss.

Christ Church, Spitalfields, designed by Nicholas Hawksmoor, stands as one of the finest examples of Baroque architecture in Britain. Dubbed the St Paul's Cathedral of the East End, it has been a landmark of the City borders for the past three centuries.

The concert will commence at 6.30pm, finishing around 8pm. This gives the perfect opportunity to arrange dinner following if you wish. A range of local restaurants can be found at www.squaremeal.co.uk - enter the postcode for Christ Church (E1 6LY) to perform a search.

Tickets for the concert are available at just £25.00 each. We do hope you will be able to join us for what promises to be a very enjoyable evening.
