

Keeping it safe!

It is important to make sure that everyone at your event, including spectators are safe while having fun.

- Always ensure that children are safe and that you do not allow them to solicit money or collect money alone or without an adult.
- You must comply with the Health and Safety at Work Act 1974 and all other relevant subordinate legislation.
- CSTT cannot accept responsibility for accidents, so make sure that your event is safe for all concerned.
- If you are going to be carrying money around take care with personal security. Always use a safe route and always be accompanied and/or carry a personal alarm.
- Make sure that no-one is fundraising, working or spectating in an unsafe environment. Assess the risks involved and make sure that they are eliminated or minimised to an acceptable level, particularly in the case of children. Remember that the Health and Safety Act applies to volunteers as well as employees.
- CSTT does not encourage particularly hazardous activities including abseiling, assault courses or bungee jumping - if you are unsure please contact us
- If contractors, sub contractors or external facilities are used, make sure they have the relevant experience and can demonstrate compliance with insurance and health and safety standards.
